TERMS AND CONDITIONS GOVERNING THE SALE OF THE ASSETS OF

LES PRODUCTIONS RANGER (1988) INC.

1. GENERAL PROVISIONS

- 1.1 RSM Richter Inc. (hereinafter referred to as "RSM Richter" or the "TRUSTEE"), Trustee to the notice of intention of Les Productions Ranger (1988) inc. ("RANGER" or "SELLER") was appointed by RANGER to assist in the sale of its assets in whole (*"en bloc"*) or on a piecemeal basis. RANGER is hereby soliciting offers for the sale of its rights, title and interest, if any, in its assets (hereinafter referred to as the "ASSETS"). The following terms and conditions govern the present solicitation and form an integral part of all offers (hereinafter referred to as the "OFFERS") submitted by prospective purchasers (hereinafter referred to as the "OFFEROR(S)" or "PURCHASER(S)").
- 1.2 With respect to the ASSETS designated in all lots and/or sub-lots under the heading "Property of Others" or identified as "PO" in any listing contained herein, the OFFEROR acknowledges that the VENDOR is not selling its interest, if any, therein. Consequently, all items identified as "Property of Others" or "PO" are excluded from the sale contemplated herein.
- 1.3 The VENDOR reserves the right to reject any and/or all OFFERS, including the highest one.
- 1.4 The VENDOR reserves the right to waive or vary any or all of the conditions with regard to the acceptance of the OFFERS at any time, including after the opening of tenders.
- 1.5 The VENDOR shall have the right to withdraw its acceptance of any OFFER at any time prior to the delivery of the ASSETS to which the acceptance relates if any or all of the ASSETS, for any reason, are unable to be delivered. In the event of such withdrawal, the VENDOR will refund any amounts received from the OFFEROR on account of the PURCHASE PRICE (as hereinafter defined) and the OFFEROR will have no further rights or recourse against the VENDOR.

- 1.6 The VENDOR reserves the right to exclude from the solicitation of offers any or all of the ASSETS included herein.

2. FORM AND DELAYS

- 2.1 The OFFERS will be received until Thursday, December 13, 2007 at 13:00 (Eastern Time) at the office of RSM Richter located at 2 Place Alexis Nihon, 22nd Floor, Montréal, Quebec H3Z 3C2.
- 2.2 The OFFERS shall be opened in private. The VENDOR shall notify all OFFERORS of the acceptance or rejection of their respective OFFERS subsequent thereto.
- 2.3 OFFERS may be submitted for individual lots or "*en bloc*". However, an "*en bloc*" OFFER must include a separate allocation for each lot.
- 2.4 Only sealed envelopes marked "Offer: Les Productions Ranger (1988) inc." containing a certified cheque or money order for an aggregate amount ("DEPOSIT") representing five percent (5%) of the amount of the OFFER for the ASSETS indicated in lots 1 to 3 and fifteen percent (15%) of the amount of the OFFER for the ASSETS indicated in lots 4 to 10, payable to RSM Richter Inc., Trustee, in trust, will be considered.
- 2.5 If an OFFER is refused by RANGER, the DEPOSIT will be returned forthwith to the OFFEROR, without interest, unless it is retained in accordance with the provisions hereof.
- 2.6 All OFFERS must be made using the Standard Form of Offer included herewith, failing which, the VENDOR reserves the right, in its sole discretion, to reject any non-conforming OFFERS.
- 2.7 The OFFER submitted constitutes a firm and legal commitment on the part of the OFFEROR and cannot be withdrawn or revoked.
- 2.8 All OFFERS must stipulate that they are open for acceptance until December 18, 2007 at 17:00 (Eastern Time).

3. PRICE AND ADJUSTMENTS

- 3.1 The entire purchase price of the ASSETS (hereinafter referred to as the "PURCHASE PRICE") plus applicable taxes (from which will be deducted the DEPOSIT, without interest), must be paid by certified cheque or money order at CLOSING (as hereinafter defined) or on such other terms as are acceptable to the VENDOR.
- 3.2 The DEPOSIT will be kept by RSM Richter as security to guarantee the execution by the OFFEROR of all obligations as contemplated herein and to be dealt with in accordance with the terms hereof.
- 3.3 The PURCHASER shall further pay at CLOSING (as hereinafter defined), in addition to the PURCHASE PRICE:
 - (a) All taxes, whether Federal, Provincial or Municipal applicable or payable by reason of the sale of the ASSETS or of the transfer of ownership thereof. Should any taxes not be paid at the time of CLOSING for any reason whatsoever, including error, omissions or otherwise, the OFFEROR nonetheless shall remain responsible for all such taxes, which liability and obligation shall survive any formal CLOSING;
 - (b) Costs, if any, of dismantling or removing the ASSETS from their present location and restoring such location(s) to neat and clean conditions; and
 - (c) The cost of repairing any damage caused by dismantling or removing the ASSETS from their present location.
- 3.4 The PURCHASER will pay and will indemnify and hold the VENDOR harmless with respect to:
 - (a) All fees and disbursements, including legal fees and disbursements relating to the OFFER and to the sale which may result therefrom and to all the searches,

evaluations and other consultations or representations that the PURCHASER may wish to do or have done;

- (b) All costs of mutation taxes or other similar charges applicable to the transfer of immovable property and/or any moveable property; and
 - (c) All costs and expenses relating to the preparation and execution of the Deed of Sale, its registration and its copies thereof, of which a copy is to be remitted to the VENDOR, as well as fees related to the obtaining of certificates of location, surveyors' plan, title searches, etc.
- 3.5 Should the VENDOR be unable to deliver any of the ASSETS comprised within any of the lots and sub-lots, the VENDOR shall have the option to arrange for the discharge or removal of the encumbrance, as the case may be, or to exclude such ASSETS, from the sale. In the latter case, the PURCHASE PRICE shall be adjusted by an amount to be agreed upon between the VENDOR and the OFFEROR, failing which, such adjustment shall be done by the VENDOR requesting that a third party auctioneer of the VENDOR'S own choosing, stipulate the liquidation value of the excluded ASSETS. Where an entire lot or sub-lot cannot be delivered (in particular, amongst others, lot 5), the amount of the adjustment will be equal to the allocation made for such lot or sub-lot by the OFFEROR as required by Section 2.3 hereof.
- 3.6 In the event that the PURCHASER fails to proceed with the CLOSING (except in circumstances under which it is not obliged to do so hereunder) or to pay, at CLOSING, the PURCHASE PRICE, the VENDOR may retain, on account of the damages resulting from the default of the OFFEROR and not as a penalty, any portion of the PURCHASE PRICE paid by the OFFEROR, including the DEPOSIT, without prejudice to the VENDOR'S rights and recourse, including the VENDOR'S right to claim further damages from the OFFEROR.
- 3.7 Notwithstanding the sections above, no financial or other adjustment will be allowed for lot 10, with regards to the quantity, quality and state of the raw materials, finished goods and accessories.

4. CLOSING

- 4.1 The closing of the sale of the ASSETS (hereinafter referred to as the "CLOSING") will take place, unless the VENDOR and the PURCHASER are unable to agree in writing, on the later of:
- (a) THIRTY (30) days following the date on which the VENDOR approves the OFFER;
- (b) Any other time which is mutually agreeable to the VENDOR and the OFFEROR.

5. DELIVERY, OWNERSHIP & POSSESSION

- 5.1 RANGER will remain in possession and will remain owner of the ASSETS until the PURCHASE PRICE (as hereinafter defined) has been paid in full.
- 5.2 At CLOSING and upon payment of the PURCHASE PRICE, the OFFEROR will take possession of the ASSETS on an "as is", "where is" basis, at its own cost, without any liability on the part of the VENDOR and will remove same within five (5) days of the CLOSING. Any additional occupancy period required by the OFFEROR will have to be negotiated with the owner of the premises solely by the OFFEROR, at its sole cost, risk and peril. The OFFEROR, at its sole cost and expense, must utilize the services of licensed plumbers and/or electricians to remove any ASSETS and to insure that all water, sewer and gas pipes are properly capped, sealed and labelled, and that all electrical wiring is disconnected and properly identified. Any damages to the premises incurred while removing the ASSETS are the sole responsibility of the OFFEROR. The OFFEROR holds the VENDOR harmless from and undertakes to indemnify it from any liability or any claim whatsoever with respect thereto. Should any ASSETS be affixed to the premises or require modifications to the premises, written permission to remove the ASSETS will have to be obtained by the PURCHASER from the owner, if applicable.

6. REPRESENTATIONS OF OFFEROR

Every OFFER shall be deemed to contain the following provisions which shall be deemed to be part of the sale of the Assets:

- 6.1 The OFFEROR does hereby acknowledge and agree that it has inspected the ASSETS and declares that it is completely satisfied with the nature, quality, quantity, condition, etc. of said ASSETS. The OFFEROR further acknowledges that the ASSETS, as well as such right, title and interest as the VENDOR may possess in and to said ASSETS, are to be purchased and sold on an "as is", "where is" basis, at the risk and peril of the OFFEROR, without any condition, representation, collateral agreement or warranty whatsoever, expressed or implied, legal or contractual, and whether arising out of statute or the operation of law, or as to any matter whatsoever, including without limiting the generality of the foregoing, any representation, whether written or verbal, any warranty against eviction or hidden defect, any covenant or representation with respect to the suitability for the purpose for which the ASSETS are intended, or fitness, quantity, quality, merchantability, durability, or valuation of the ASSETS. It is the OFFEROR's sole responsibility to have the ASSETS inspected by the appropriate government authorities, if necessary, before reselling, or otherwise transferring said ASSETS to third parties.
- 6.2 The OFFEROR further acknowledges that the OFFER and the agreement which may result from the VENDOR's acceptance thereof, are based only and entirely upon its own inspection and investigation of the ASSETS. Moreover, any information obtained by the OFFEROR from the TRUSTEE or the VENDOR and/or their representatives or included in the Information Package, with respect to the ASSETS has been prepared solely for the convenience of the OFFEROR and for information purposes only and is not warranted to be accurate or complete and does not form part of the terms of these presents.
- 6.3 The OFFEROR agrees to assume, at its cost, complete responsibility for compliance with all Municipal, Provincial and Federal laws and regulations insofar as same apply to the purchased property and the use thereof by the OFFEROR.

- 6.4 The OFFEROR further acknowledges that it has inspected the ASSETS for the presence of any contaminants or hazardous materials as defined by any applicable legislation, and that it holds the VENDOR harmless from and indemnifies it from any liability or any claim whatsoever with respect thereto.
- 6.5 The PURCHASER acknowledges that RSM Richter is only assisting RANGER and shall not incur or engage RANGER to incur any personal or corporate liability of whatsoever kind or nature relating to the sale of the ASSETS contemplated herein.
- 6.6 With respect to the immovable property listed in lots 1 to 3 of the Information Package, it is incumbent upon the PURCHASER, prior to the opening of tenders, to examine the VENDOR's title in this property, at its own cost and expense. Further, the PURCHASER must advise the VENDOR in its OFFER of any title defect affecting the value of the immovable property, failing which the PURCHASER shall be deemed to accept the title defect as is. In the event that a title defect is indicated in the OFFER by the PURCHASER to the VENDOR, the VENDOR shall have a period of thirty (30) days from the date of acceptance of the OFFER to correct the title defect and/or to take the necessary measures to ensure the correction of the title defect prior to CLOSING. If the VENDOR is not capable or, in its discretion, chooses not to correct the title defect identified by the PURCHASER, the VENDOR will advise the PURCHASER accordingly, and if the PURCHASER refuses to withdraw its notice of title defect, the PURCHASER shall have the right to withdraw its OFFER as accepted, by sending a written notice within ten (10) days to the VENDOR. In the event that the PURCHASER withdraws its OFFER, the OFFER shall be deemed to be null and void and the DEPOSIT shall be returned forthwith to the PURCHASER, without interest and the parties shall have no further rights and recourse against each other. The right of the PURCHASER to withdraw its OFFER as accepted, as noted above, could also be required by the VENDOR during the course of negotiations and/or attempts to correct the title defects which are not successful.
- 6.7 The PURCHASER agrees to assume complete responsibility for the transfer of any licences and permits relating to the operation of the business and/or the issuance of new licences and permits. The PURCHASER acknowledges that the VENDOR makes no warranty or representation as to the transferability of any licences or permits. All costs pertaining to same shall be borne by the PURCHASER at the VENDOR'S complete exoneration.

7. OTHER

- 7.1 When an OFFER for any ASSETS is accepted, the terms of the OFFER prepared by the OFFEROR and the acceptance thereof, and the present terms and conditions shall constitute an agreement of purchase and sale between the OFFEROR and the VENDOR with respect to such ASSETS unless otherwise agreed upon in writing between the VENDOR and the OFFEROR.
- 7.2 The successful OFFEROR may not use for advertisement or similar purposes the name of RSM Richter Inc. and/or Les Productions Ranger (1988) Inc. in any advertising, marketing publication or public announcement, without the prior written consent of such parties, which consent such parties may refuse to grant in their absolute discretion.
- 7.3 All OFFERS and the sale herein contemplated are subject to approval by the secured creditor who holds a security on all ASSETS.
- 7.4 The OFFERER recognizes that the sale contemplated herein could also be concluded through the exercise of hypothecary recourses by one secured creditor or another.
- 7.5 The OFFER and any agreement of purchase or of sale shall be governed by and construed in accordance with the laws of the province of Quebec.

DATED AT MONTREAL, this 27th day of November 2007.
